PRIVATE DRIVER OF STUDENTS FOR SCHOOL EVENTS CONSENT & RELEASE FORM

I, the undersigned _____, do hereby consent to my participation as a voluntary driver for students to or during a school-sanctioned event within the Triton Regional School District.

I understand that by voluntarily offering to drive students, I am NOT protected and covered by District insurance against claims relating to liabilities for damage to property or for medical injuries to passengers. By agreeing to drive passengers, I am taking full responsibility and legal liability for the health, safety and protection of said passengers. Any damages or claims filed as a result of the period of transport will be my responsibility, and solely my responsibility to cure.

I understand that I am responsible for the exercise of due care and operation of my vehicle. I have filed evidence with the Superintendent of Schools that: (1) I am a properly licensed driver; (2) the vehicle that will be used to transport students is properly maintained and inspected by the MA Registry of Motor Vehicles; and (3) I maintain personal liability insurance coverage on the vehicle that will be used to transport students in the amount of \$100,000 - \$300,000 or more.

I understand that transportation involving students to or during a school-sanctioned event within the Triton Regional School District does not involve late night travel.

I agree to avoid one-on-one situations with individual students by ensuring that another student or employee/staff member/adult is present.

I agree to forever release the Triton Regional School District and all their employees, agents, board members, volunteers and any and all individuals and organizations assisting or participating in any voluntary or recreation programs of the district ("the Releasees") from all claims, damages, losses or expenses of whatever kind or nature, rights of action and causes of action that may have arisen in the past, or may arise in the future, directly or indirectly from personal injury to myself or property damage resulting from my involvement as a private transporter of students in the Triton Regional School District programs.

I also promise to indemnify, defend and hold harmless the Releasees against any and all legal claims and proceedings of any description that may have been asserted in the past, or may be asserted in the future, directly or indirectly arising from personal injuries to myself or property damage resulting from my involvement as a private transporter of students in the Triton Regional School District Programs.

I further affirm that I have read this Consent and Release Form and that I understand the contents of this Form. By signing this Form, I affirm that I have decided to participate as a volunteer with full knowledge that the Releasees will not be liable to anyone for personal injuries and property damage that I or any passengers in my vehicle and care may suffer during the entirety of the school-sanctioned trip.
