We're headed back to Maine for this show. Let's try to improve our performance each time we go out.

Bring a change of clothes for after we are done performing, check the weather and bring layers or rain gear or whatever we need. These shows happen rain or shine.

You should bring something to eat before boarding the bus. **Please be NUT FREE.** As you know, we have a refrigerator in the storage room now, so you can put your dinners in there during practice if you need to. There will also be a concession stand at the show, so if you want to bring some money feel free. When we are done, we sit on the visitor side of the bleachers and watch the other bands.

Let's have a great performance - really rock the place, and be fearless about it. Good luck!!
