This is a great opportunity for us to give something back to our communities, and to honor the men and women in the armed services who have done so much throughout our nation's history. Please come prepared to do your best, with all your music in a flip folder, shoes shined, uniforms clean, positive attitude attached.

DON'T FORGET TO ATTACH YOUR BAND RIBBONS TO YOUR UNIFORMS. THIS INCLUDES NEW ONES! IF YOU NEED TO KNOW HOW, ASK FOR A COPY OF THE INSTRUCTIONS.

*We will be going to the Newburyport Plaza for lunch. Please bring a bag lunch, or money with which to purchase your lunch at any of the fine establishments in the plaza. Please also WEAR SHORTS AND T-SHIRTS under your uniforms so you can cool down between parades, and keep the uniforms free of spills.

**We will also be holding our Dreamer election after lunch. If you wish to nominate someone, please email me the name of your nominee. I will post a list a few days before, so that people can see if they have been nominated and decide if they want to serve.

I know you will bring honor to yourselves, to Triton, and will do honor to our nation. With all its interesting quirks, it's a pretty great place to live.

Good luck, everyone!!
